New York Fall Break Trip

n the aftermath of September 11, Sewanee students esponded with an intense desire to help and make a ifference. Instead of going home and relaxing for a ew days, a group of students piled in fifteen passenger ans bound for New York City. While there, this group olunteered at St. Paul's, the historic chapel of Trinity Church Wall Street, which served as the volunteer eadquarters for Ground Zero. Working under volunteer coordinator Katherine Avery, C'00, these students saw first hand the devastation of the site and the incredible work eing done at St. Paul's. These Sewanee angels left behind a sign of Sewanee's love for New York, as seen by the banner that Mayor Rudolph W. Guiliani stood before when he poke at St. Paul's on December 27, 2001.

"Amazing Margaret" Strikes Again!
Love and Congratulations to our own little
Wonder Woman!

Here's to you, Margaret Stultz!
Love, Mom and Dad

CONGRATULATIONS KATIE ON A STELLAR JOB!!!!

You have always been and continue to be just the brightest spot in our lives!

Words of wisdom from some very wise folks... Do as is say, not as I do! Never for the sake of peace and quiet DENY your own experience or convictions! What counts is not necessarily the size of the dog in the fight, it's the size of the fight in the dog. A risk not taken, very often becomes an opportunity lost..... When you follow your bliss, doors will open where you would have thought there would be no doors; and where there wouldn't be a door for anyone else. Write the bad things that are done to you in the sand, and the good things that happen to you on a piece of marble. "WHY NOT" is a slogan for a very interesting life! Only those who dare to fail greatly, can achieve GREATLY! The whole worth of a kind deed is the love that inspires it and finally, If the only prayer you ever say your entire life is thank you- it will be enough!

Live by these, Sister and you will blossom and bloom into ALL that you deserve and can obtain!

We love you and just couldn't be more PROUD!!!!!
Mama, David, Tyler and Biggie Lulu

CONGRATULATIONS KATHERINE DUKE FOREHAND

Dearest Katherine,

It doesn't seem that four years at Sewanee have gone by. We greatly enjoyed all those trips to The Mountain, to Chattanooga, to Lessons and Carols, to the games, to Wal-Mart, to Rue Montparnasse, to the Assembly and to Pearls. We cannot wait to find out where the next four years will take us!

Courtney—

How hard it is to imagine that you are graduating from college! I am so very proud of you and all that you have done in these four short years! As you have learned so much about yourself, you have taught those of us around you what it means to be strong and brave and determined. You have wisely moved through these years, searching for enlightenment in all areas of your life. You have experienced, through immersion, the world around you…at Sewanee, in London and in New York. You have continued to form friendships, while never forgetting family and old friends. You have freely given of yourself and kept your beliefs and values intact. You have gained a wisdom that will hold you in good stead throughout your life. You have an appreciation for the world around you that many do not ever have. I am especially proud of the thought that has gone into your decisions as you look toward the future. I know that you will do well in your life. The world lies ahead of you—enjoy each step as you move forward! Always know that you are loved and appreciated and that I will be here as your rock, cheerleader, advisor, sounding board…whatever you might need. I love you, Courtney!

Love, Mom

Dear Courtney,

I have always followed in your footsteps. Although you might not have always seen me, I have been there for you every step of the way. I admire your heart, your values and, most of all, who you are. You follow your heart and trust what you know is right. The future is here and everything you have been through has lead up to this moment. Where? What? Who? Courtney, through all of these questions, know that you are an amazing, caring and beautiful person. I love you, Courtney, and I know that, wherever the road may take you, you will do great. After all, it is impossible not to love such a great smile and personality. I love you, Courtney, as my sister, my best friend and, most of all, as my angel in disguise.

Love always, Catherine

Courtn

You have been my guide in a world where there was no light. You have given Catherine and me strength, and let us believe that we could be anything we wanted to be. You follow your heart and believe that there is truly good in people, even though the world has tried to stop you and prove you wrong. You and Catherine are truly my angels, as God has sent you down to make the world a better place. No matter what you find throughout life, you've made my world a wonderful place. I have to thank you for most of my accomplishments because you gave me hope and showed me that everyone deserves love, and if they say they do not, you just have to try harder to let them know that they do. The lessons you have taught me over time are everlasting as you have helped me become a good person. Thank you for everything.

Love, Ryan

Dedication

The 2001-2002 *Cap and Gown* is dedicated in honor of Dr. Arthur Knoll and Dr. Barclay Ward for their many years of service to the University and their commendable efforts to educate the community about the current problems facing the world today.

"It's a long way away, even from Chattanooga, in the middle of woods, on top of a bastion of mountain crenelated with blue coves. It is so beautiful that people who have once been there always, one way or another, come back. For such as can detect apple green in an evening sky, it is Arcadia- not the one that never used to be, but the one that many people always live in; only this one can be shared."
